Carolene, I've been some good friends this year, and I've been your sophomore year, and I hope your next 2 years will be even better. You are a memorable "one" (which is also a memorable "one"). I'll be very sad to see you leave us seniors to sail off into the sunset (or at least its a memorable 2 years). Take care! keep your head up, you are one heck of a sweet gal and I hope you find someone, but as a lunt lucky. maybe I'll be a millionaire, but as a lunt don't accept a teacher, they're too poor. Well, its about t in San Jose (or at least somewhere) and God Bless touch over the summer!

REGISTRATION

this year, like any other year, had many people climbing the walls. Registration started at 8:00 A.M. and finished around 3:00 P.M. Most students came out angry, and both students and teachers were exhausted after a hectic day.

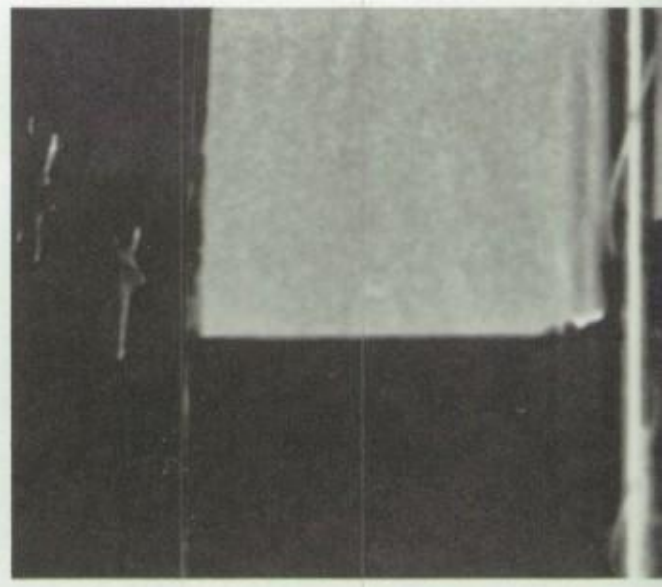
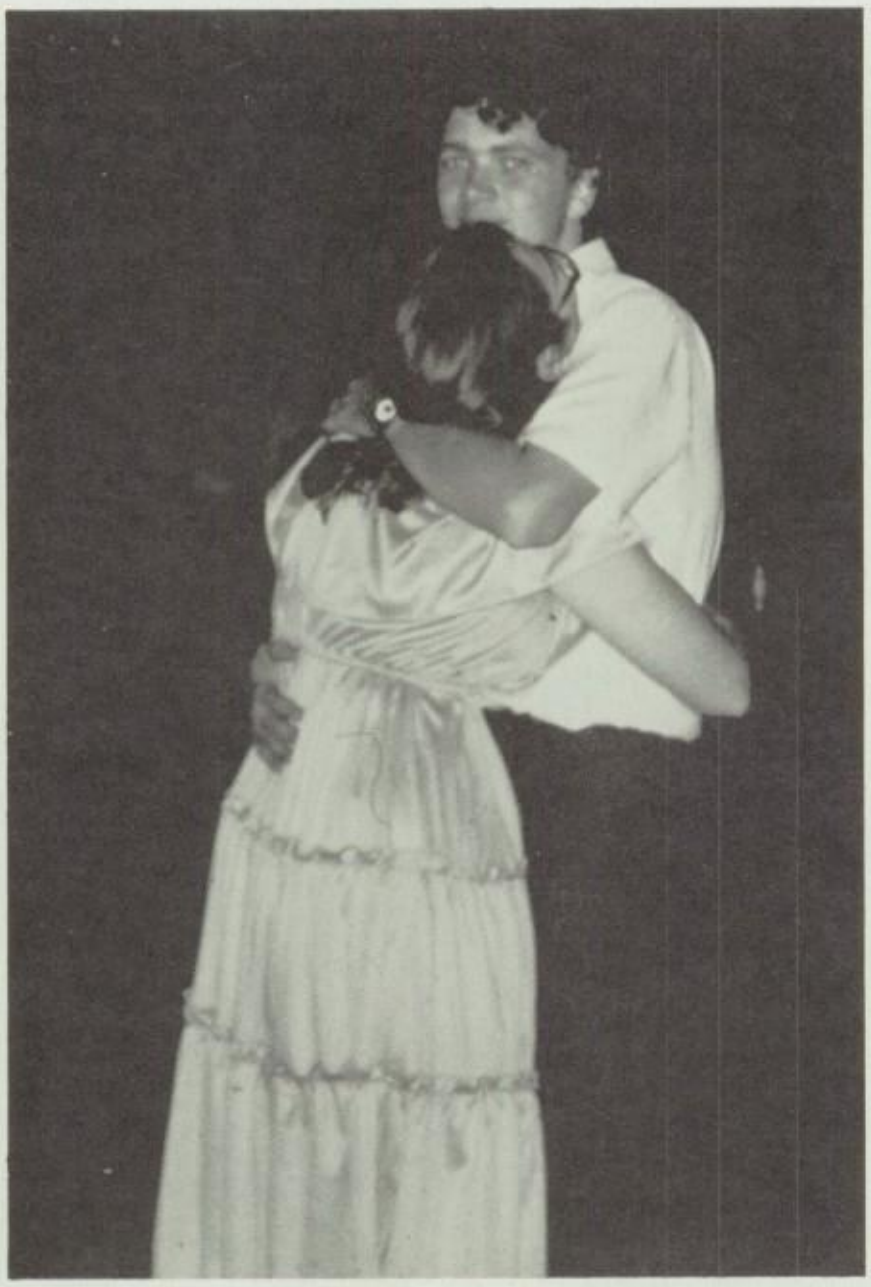
SOCIAL SCIENC

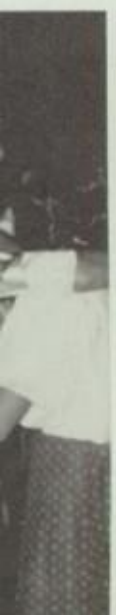


GREAT SUCCESS

The first Disco Dance of the year was sponsored by the Drama Club. The dance was a GREAT SUCCESS and everyone showed up ready to boogie the night away. The fun lasted brom 8 P.M. to 11 P.M. on Friday, October 13.

Jim Masiclat, a '78 graduate of Gunderson, was the disco's disc jockey. He did a fine job of creating a fun-filled and enjoyable evening for all.





The 78-79

SPIRIT

Group, according to advisor Ms. Acampora has been the strongest group in the history of Gunderson High School. Song Girls to the sophomore squad enhanced the performance of the sophomore group as well as the addition of a Varsity and Sophomore Mascots Awards from spirit camp included: Varsity Song Girls First Place, Varsity Lettergirls Third Place, and a Superior trophy, Varsity Cheerleaders Superior trophy, Sophomore Cheerleaders-excellent trophy. HIT PARADE

Hard To Beat

Lunch activities at Gunderson set a pace that will be HARD TO BEAT. One of the best events of this year was a concert by the fastest flat-pickin' guitarist, Dennis Agajanian, on October 24. He had everyone stomping their feet to the Christian music with a country beat. Two other events were concerts given by 'Hit Parade' (a disco type group) on October 27, and 'Shadow Fax' (a band) on November 3. These gave lunch a unique atmosphere. Another great event was a demonstration given by Choi's Tae Kwon Do on Thursday, October 12. They caught (and kept) everyone's attention with their breathtakingly high kicks and jumps. These activities plus others helped to give Gunderson a favorable atmosphere at lunch.

WILD AND CRAZY

things are happening at Gunderson this year. People being ridden, or just watching a game were typical events. Some gave looks of disappointment while others got caught with funny expressions on their faces. There is always lots of fun in classes such as Biology or Ceramics, and everyone looks forward to "The Voice" during third period. These are some of the wild and crazy things that happen at Gunderson.

HOMECOMING DAY

was a treat for all nominees for Homecoming Royalty, even though our Varsity team was defeated in the game against Leland. Our brilliant halftime parade was lead by the class of '79 and ended with winning float of '81.

SPECTACULAR

The Gunderson High Jazz Band put on a SPECTACULAR show this year. They carried out their old tradition of playing "Hey Jude" at the end of their concert and started a new one by inviting the alumni to play the last two songs.

TOUCHDOWN, VARSITY!

This is the first year Gunderson yielded a team that has been together for three years. The team showed a

CLOSENESS

and togetherness that no other Gunderson team had. We expected great things this year after starting off the season with a very impressive win over Buscher High School. Unfortunately, we could not sustain any consistant level, and have not played up to our potential. In every game we played, we have been ahead or tied at the half. We could very easily be 8-0 at this point in the season, but instead are 4-4. The best game we played was against San Jose High, who at the time we played them were rated in the top 10 in C.C.S. We defeated them by a 22-24 score. The team came back last week and beat a tough Gilroy team 7-6. So it looks like we're finally putting it all together. If we continue to improve and play with more intensity, we could finish the season with a respected 6-4 record. We will miss the many seniors who will be lost to graduation. They have contributed much to Gunderson in making it a respected football team and one the student body can be proud of.

SOPHOMORE PRIDE

This year's Gunderson Sophomore Football team played a very successful season. They are a very disciplined group and that discipline shows in their playing. It was a honor to have such a great sophomore team who really worked and had pride in their team. Let's hope that discipline and

DIGNITY

carries over to next years team. Thanks to all the sophomore football players for their hard work and for a great season.

HOCKEY

After a long, tough season, the '78 Grizzly Field Hockey team pulled together to become a

RESPECTABLE

team. There were few returning players this year, so the novice players took it upon themselves to learn the necessary skills, and learn them well.

"The wins were few and far between," but the teams' enthusiasm and spirit was always on a high level. Coach Joanne Gallo did a fine job and is looking foreward to a successful team next year.

The team is loosing six experienced Seniors this yearRhonda Gillet, Sue Pearson, Shirley Casey, Marilyn Leonard, Kathy Jacobsin, and Tami Corchero. Thanks to all the girls on the team who put a lot of hard work and pride into this years' Field Hockey team.

SWIMMING

Our season this year was an enjoyable one for me and my swimmers.

THE SWIMMERS

who were really dedicated to the sport and came to most of my workouts and to the meets are the girls who really deserve the most credit. Especially coming to early morning practices, despite the very cold weather condition. Our team was quite small in number this year with abilities ranging from novice to the very experienced and skilled A.A.U. swimmers. With this wide range of skills on my team I found it very challenging for me to work with my swimmers on an individual basis.

Our Varsity Team this year won two league meets against Gilroy and Pioneer. The J.V. Team won one meet against Pioneer. The following girls placed at our league finals: Kim Powers, Jennifer Petty, Edie Simon, Kristy Oliver, Sue Petty, Debbie Nelson, and Debbi Tippett. Debbie Moranz placed 3rd in diving at the finals. The girls who qualified for individual events at C.C.S. were: Sue Petty, Edie Simon, Jennifer Petty, Kristy Oliver, Kim Powers, Katie Kendall, Debbi Tippett, and Tina Quinn.

The C Basketball team finished with the best basketball record ever at Guderson. (9 wins -3 losses). The team fought its way back from dead last to win 9 out of its last 10 games in cluding its last 4. Hardwork,

and all out hustle were the key factors to sucess.

Leading the team were seniors Matt East and Keith Demarest. Next years hopes are Rick Murray and Brian Edwards.

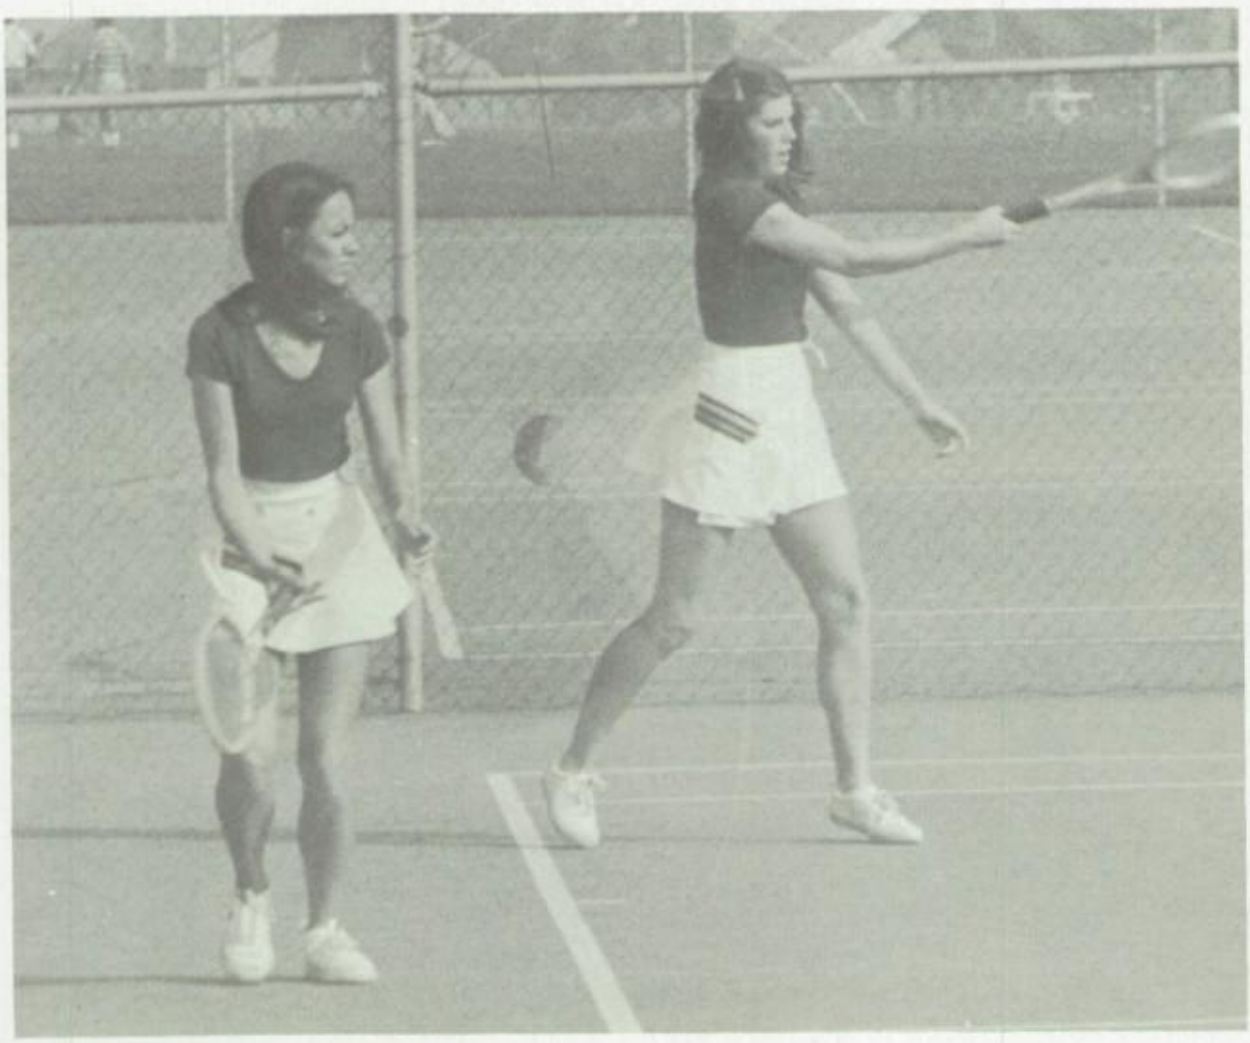
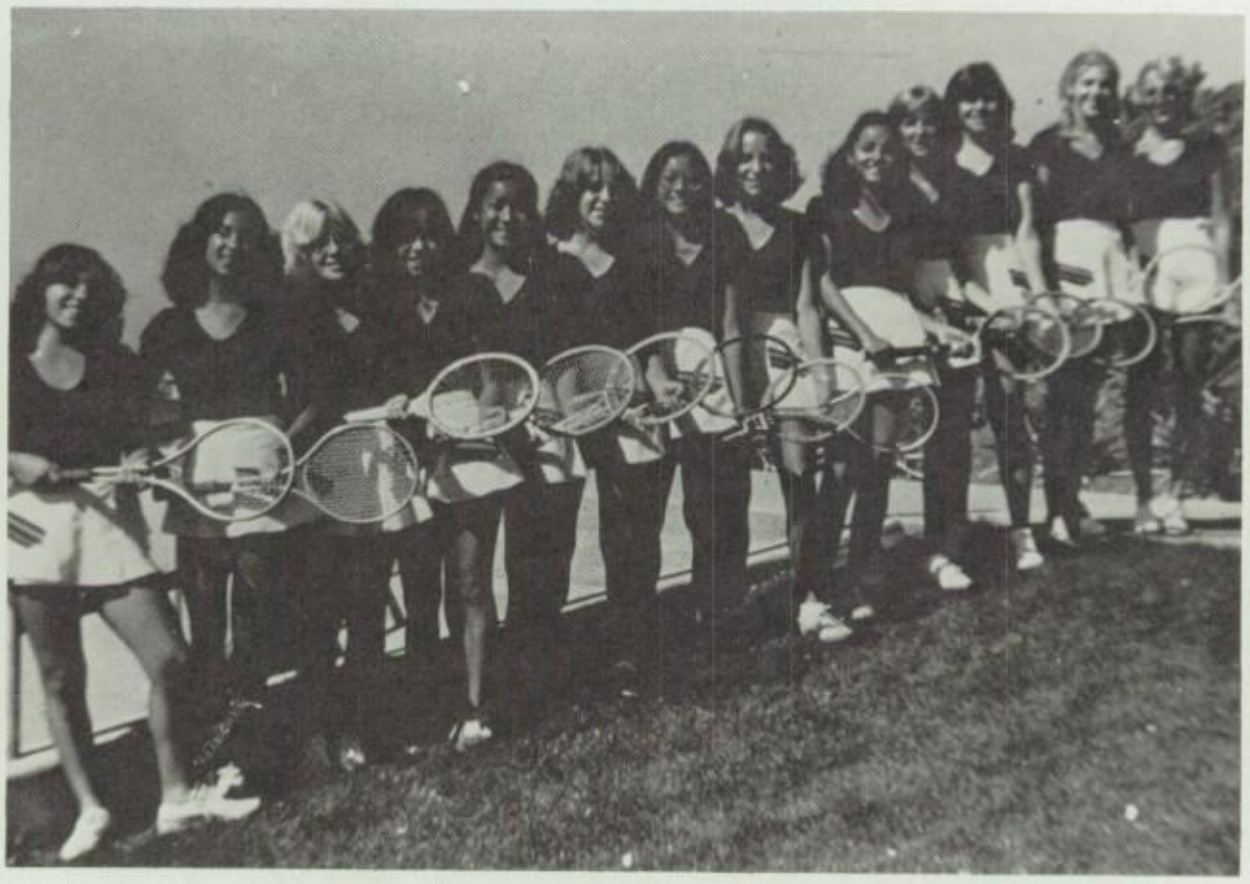
D Team members: Back row-R. Spina, T. Borg, V. Sunzeri, R. Herrera, Coach Ranazane. Front row: B. O'Brien, J. Barbaccia.

VARSITY TENNIS TEAM: Sabina Trent, Lori Johnson, Robi Wolf, Dipti Itchipoia, Carol Delfino, Sara Halley, Cheryl Wilkinson, Sandy Vogel, Vicki Dionne, Christi Patterson, Nita Bhatti, Karen Uhrik, and Coach Acampora.





Confidence

According to Coach Acampora, this year's Varsity Tennis team enjoyed a good season. Their efforts on the summer league Wrightman Cup team helped develop their strokes as well as CONFIDENCE. The team lost to League Champions, Leland by ten games and to 2nd place Pioneer in a 3-4 situation. Coach Acampora feels we are only a few games behind other league teams who have years of experience behind them. The Gunderson team is getting stronger each year and Coach Acampora is looking forward to a successful season next year. Strong singles for the team were: Seniors, Lori Johnson, Karen Uhrik, Juniors, Robi Wolf and Sara Halley. Doubles include: Senior Vicki Dionne and Juniors: Sandy Vogel, Cheryl Wilkinson, Nina Bhatti, Christi Patterson, and Sophomore Carol Delfino.

The MIGHTY Grizzly Sophomores came in third for league Junior Varsity Competition. Coach Rob Graun states "this year's J.V. team consisted of dedicated goal oriented girls". In addition they were proud to have Melanie and Monica Spencer from Steinbeck on the team. Monica and her sister Theresa held a strong first doubles position throughout the season. Both Varsity and J.V. coaches agree Gunderson is headed for a strong season on girls tennis team next year.

MARRIAGE AND FAMILY

Martin, G. Hill, G. Brown, R. Flores, Mrs. Fehley."This year, the

class went African! We had 4 Black students in the class. We had an African college student (Masai tribe) speak to us on their dating and marriage coustoms. African dancers performed during one part of the Moslem wedding ceremony. Students tie-dyed and made their costumes; cooked an African menu for 65 (shrimp and beans, gree pepper steak, and peanut butter-tomatoe chicken) using the money they'd made washing cars. The purpose of an ethnic wedding, "teacher Ms. Olsen feels," is to acquaint students with new ways to look at marriage, wedding customs, and foods. The Marriage and Family class studies many aspects of dating, and marriage; ie communication, fighting squarely, budgeting,

Varsity Tries Hard

Varsity Basketball 1979-

This year's varsity basketball season was highlighted with a seven day trip to San Diego where the cagers lost to Kearney High and beat Point Loma High. Upon returning from the trip, the Grizzlies had a great win over arch-rival Leland, one of the preseason picks to win the Santa Teresa Athletic League.

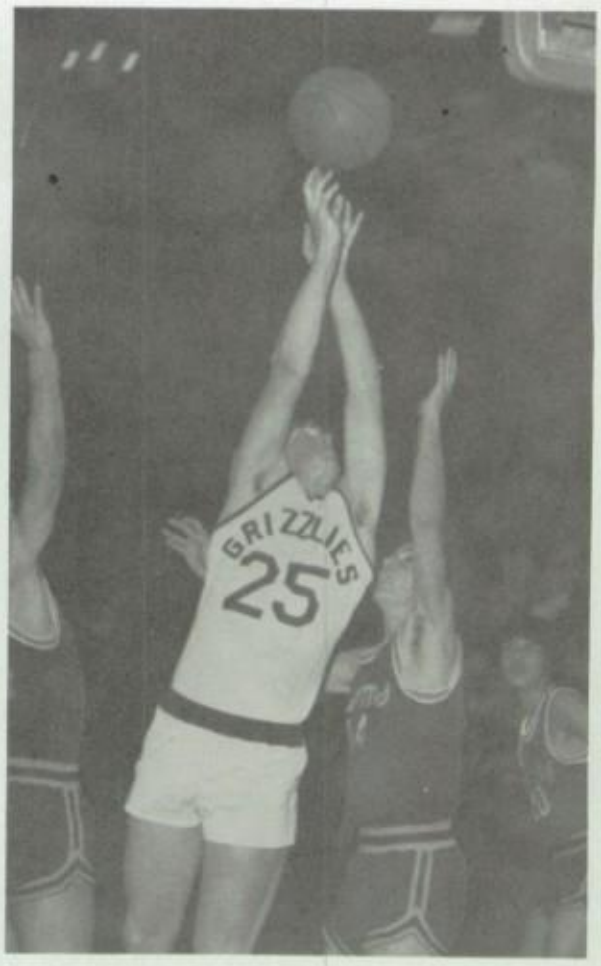
The varsity was led by seniors: Jay Jinguji, Dave Cornfoot, Doug Campbell and Kevin Brown. With

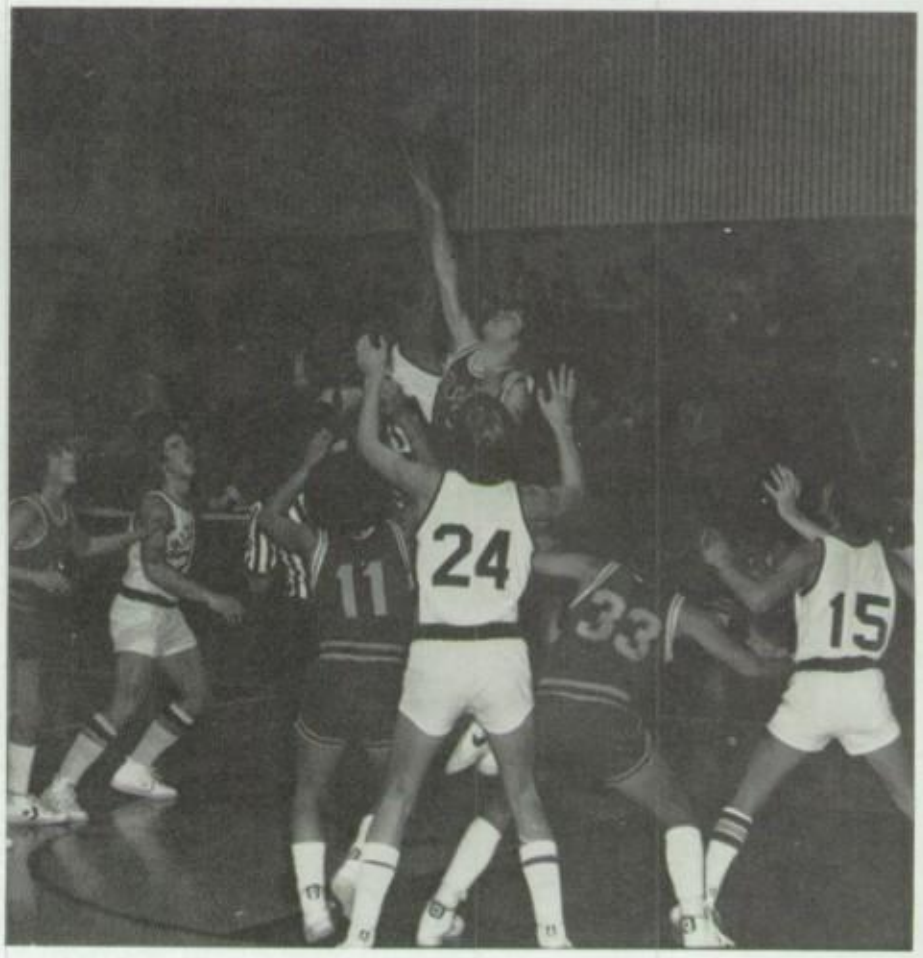
STRONG

support from Phil Norman, Jeff Douglas, Chris Morgan, Andy Raymundo, Jim Angelopoulos and Brad Brooks.

Coach Doug Ramazane

Varsity Basketball Team members: Coach Ramazane, Chris Morgan, Kevin Brown, Phil Norman, Jeff Douglas, Doug Campbell, Brad Brooks, Dave Cornfoot, Craig Bettinger, Dave Jio. Bottom Row: Coach Lehman, Bill Draper, Andy Raymundo, Jim Angelopoulos, Jay Jinguji.





Sophomores Work Hard!

1979 Sophomore Basketball-Front Row; Coach Dave Frandsen, Cary Sakamoto, Ed Ramirez, Noll Brown, Scott Godman, Lowell Mazon. Kneeling: Bob Hoffman, Greg White. Not PicturedPaul Gillies, Arlin Fisher.

This year Sophomore Basketball players played an average season for their first high school season. The team's leading scorer was Paul Gillies. The starters are-Paul Gillies, Scott Godman, Ed Ramirez, Cary Sakamoto, Arlin Fisher. The team's statistics were 5-7. Thanks guys for all the

HARD WORK

and hope to see you next year.

J.V. Tries Hard!

1979 J.V. Soccer: This years J.V. Soccer team had a better than average season. With competition from the Varsity, it was hard to keep up the pride but they

SUCCEEDED

any way and played a fantastic season. A team picture was unavailable since they were constantly practicing. This years team members were: Eric Moreno, Eric Andersen, Fred Rome, Mark East, Mike Juliana, Ron Johnson, Paolo Vitale, Mike Lunar, Grady O. Tim Cole, Tim McDonough, Pedro Meirelles, Steve Larsen.

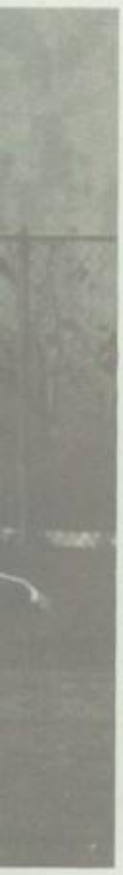
Soccer Battles For C.C.S.

This years varsity soccer team was one of the most

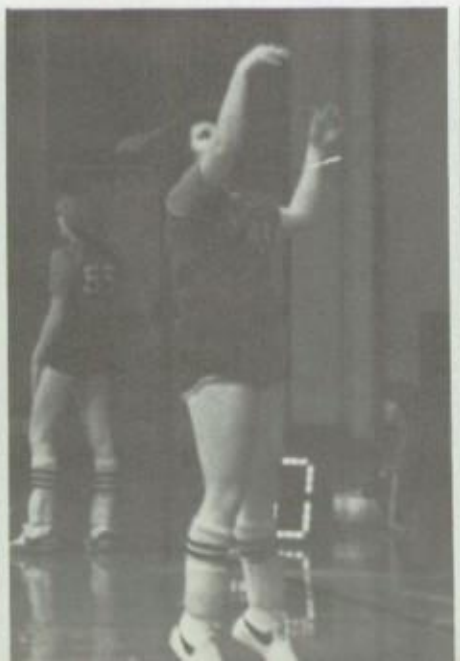
AGGRESSIVE

teams our school has ever had. The unity of the team is outstanding, as a team they have been together for three years and joined summer leagues to prepare themselves for a promising season. After all the hard work they have put into the team this year, they deserve some recognition. Their emotional state improved their game and made them a team to look up to. The seniors this year, who have held the pride of the team for three years are; Goalies- Dennis Moraz, Eric Simion, sweeper; Dan Koga, Fullbacks; Steve Koch, Peter Gillies, Kevin Coughlin (injured), Midfielders; Dario Bernardi, Matt Kamkar, Jonas Bystrom, Forwards; Craig Bummer, Mitch Konatsu.

1979 Varsity Soccer Team: Back Row- Coach Bob Lackore, Dan Koga, Ted Vandenberg, Dario Bernardi, Dennis Moranz, Pete Gillies, Steve Koch, Dave Maxwell, ass. Coach Guil Bernardi. Front Row: Kevin Lafferty, Jonas Bystrom, Rick Salazar, Troy Carson, Matt Kamkar, Mitch Konatsu, Criag Bummer, Shane Burns.



GUNDERSON
BASKETBALL
GREATS



GRIZZLIES

Basketball's Great

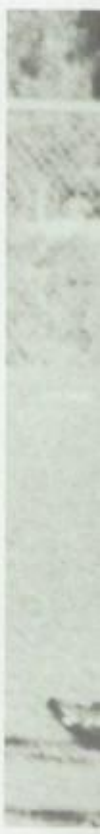
Although Basketball is not one of our strongest sports, this year's team is working hard to change that. Seniors Rhonda Gillett, Kathy Jakabcin, and Sharon Muscara are playing for their last time as Grizzlies and are making the most of it.

This year's teams hope to end the misery and start something new, but so far their dream hasn't come true. All is not wasted though, because with lots of Juniors and Sophomores next year's team looks as though it'll be

HARD TO BEAT.

Varsity: Kathy Jakabcin; Rhonda Gillett; Sharon Muscara; Debbie Montilla; Debbie Schellhorn; Liz Chiarelli; and Linda Avila.

Junior Varsity: Debbie Villa; Pam Schmit; Laura Thompson; MaryKay Estopare; Johnna Aguero; Robbie Hearidge; Gina Swiggart; Barbara Hogue; and Laura Asselin.



Best

season ever!

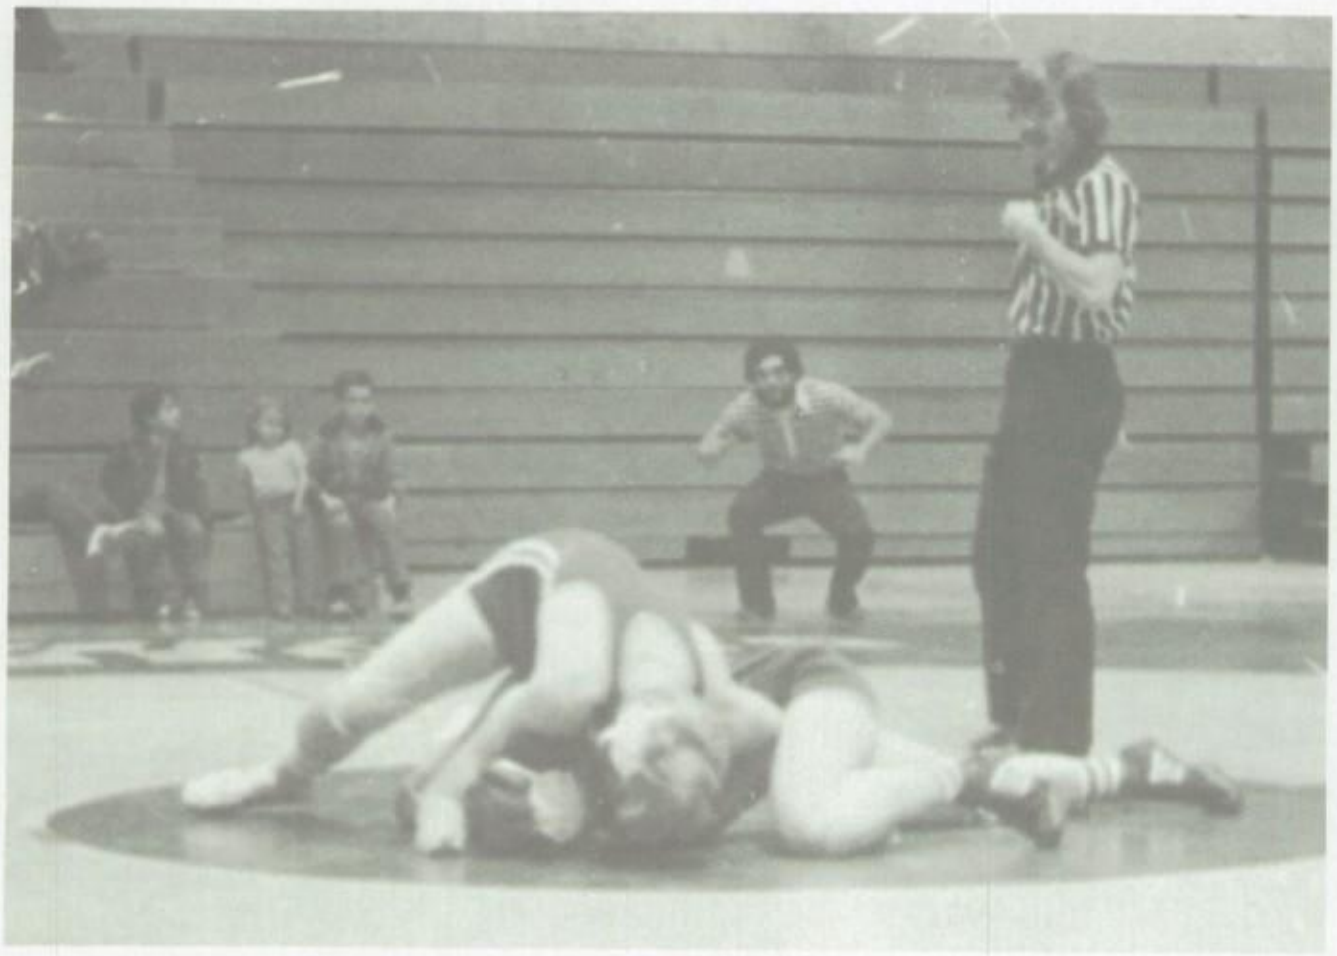
Our girls' soccer team this year is on their way to the top. With a season record of being defectless so far, they are currently in first place. Cheri Hoole is the top scorer. Hoole is a junior which means next year's team should also be strong. With soccer becoming such a popular sport, it is no wonder that we have both a Varsity and Junior Varsity team at Gunderson.

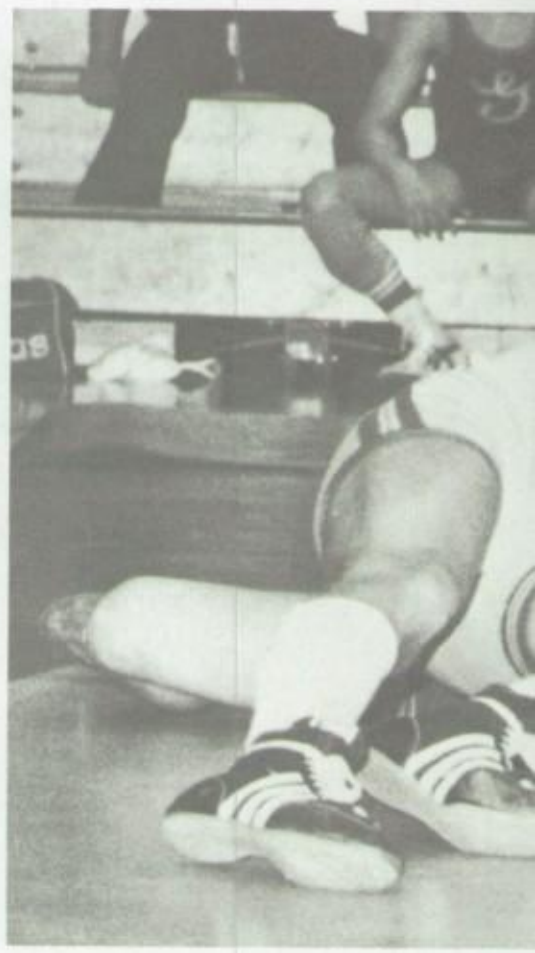
The

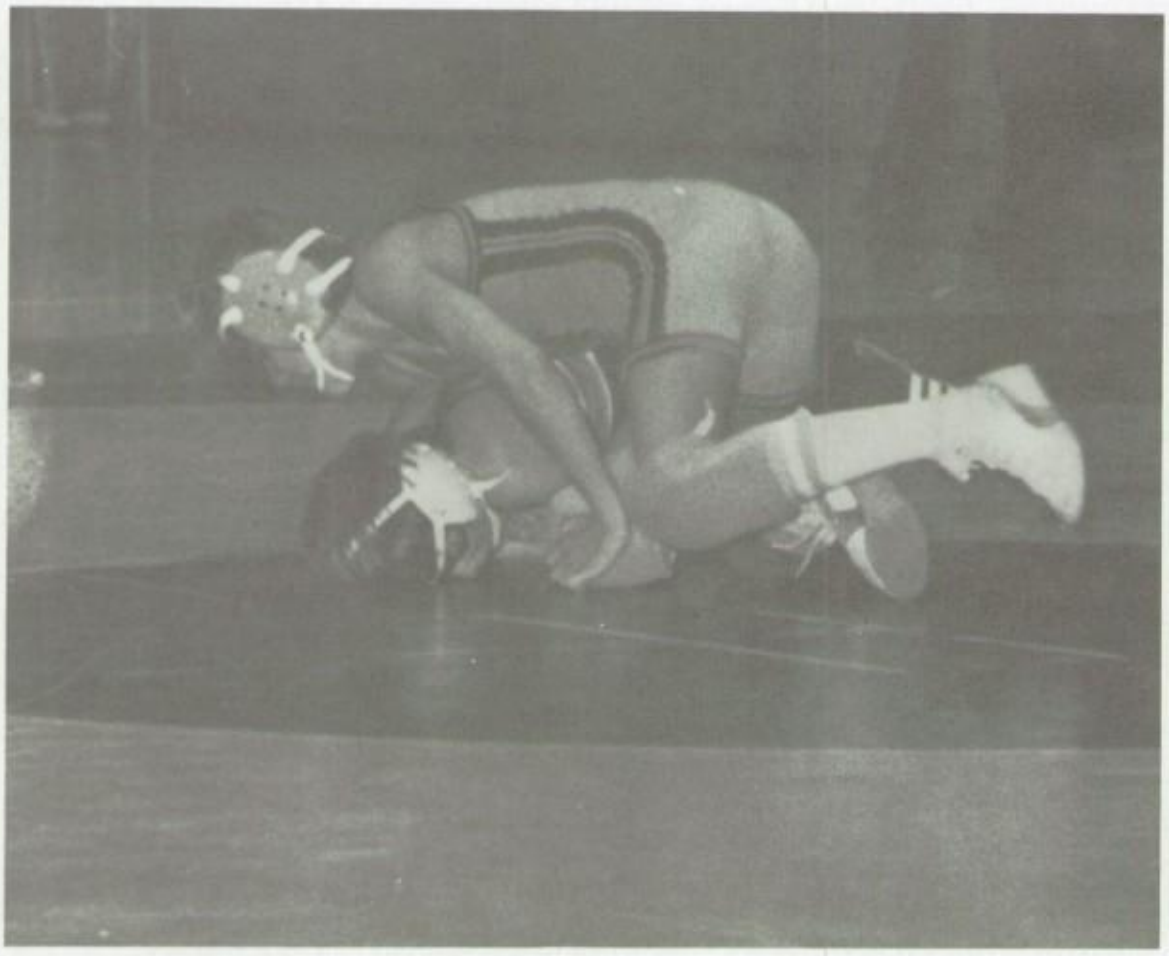
MIGHTY

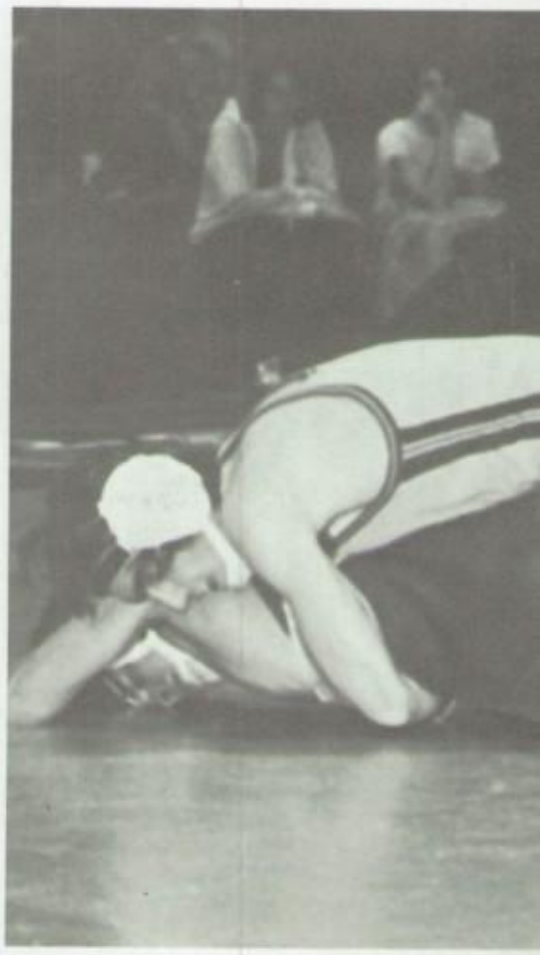
Grizzlies are really going after it and are sure to obtain their goal if they continue. The teams are both doing great while all who participate are having fun.

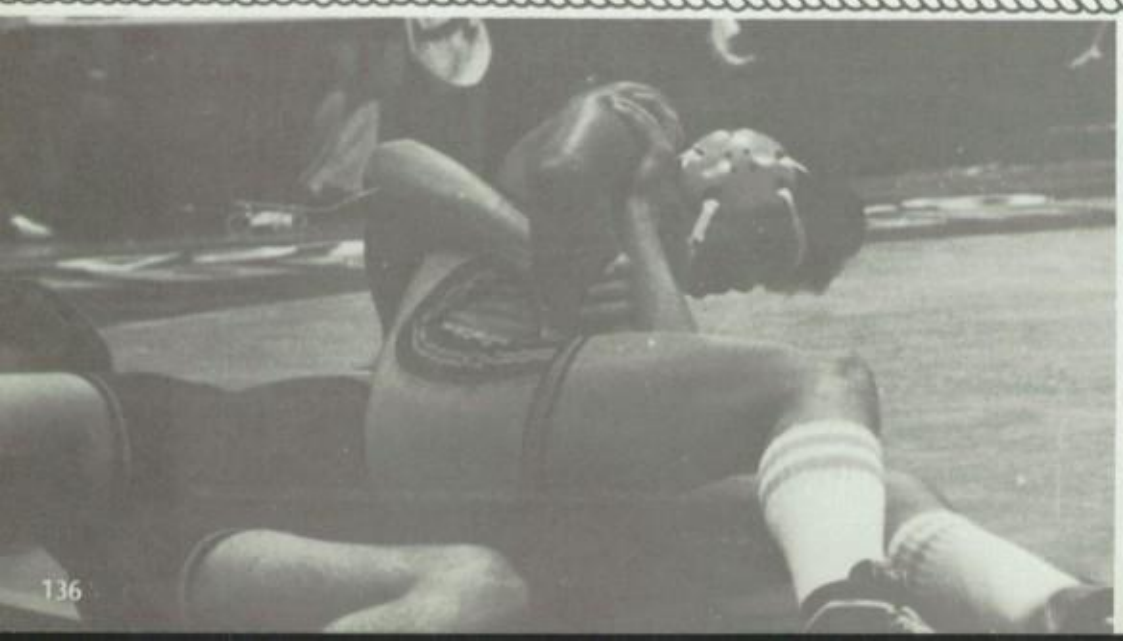
Top row: Kristen Wilson, Penny Orr, Cindy Lefferts, Tami Roth, Linda Johnson, Sandy Brezts, Yvette Gallard, Michelle Pigg, Kathy Hanhauser, and Coach Miller. Bottom row: Geri Castello, Sueng Lee, Beth Maxwell, Cheri Hoole, Jolene Garage, Lisa Baker, and Marilyn Leonard.

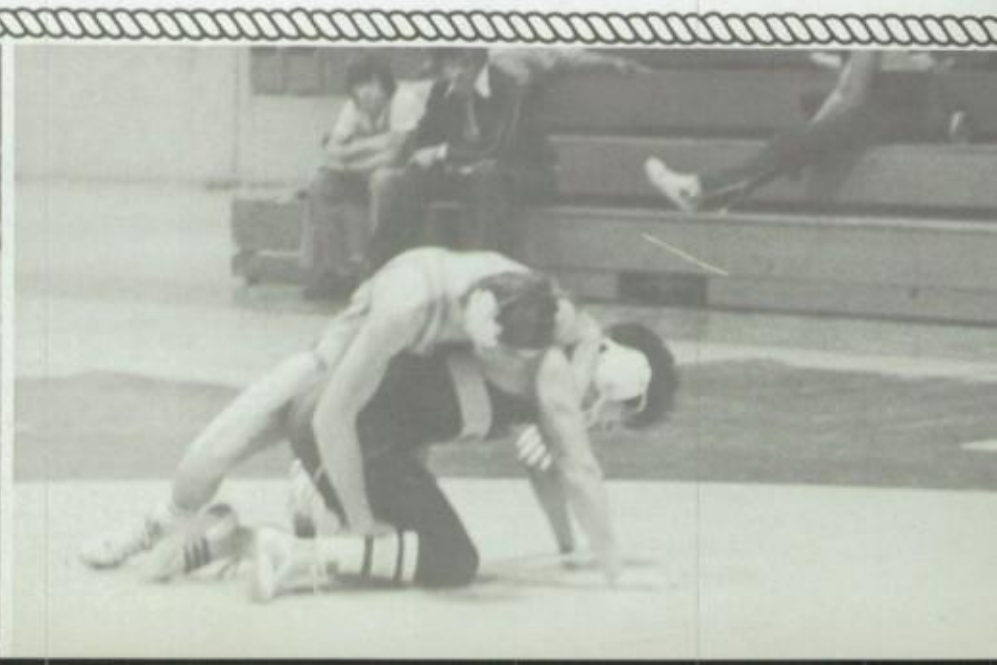


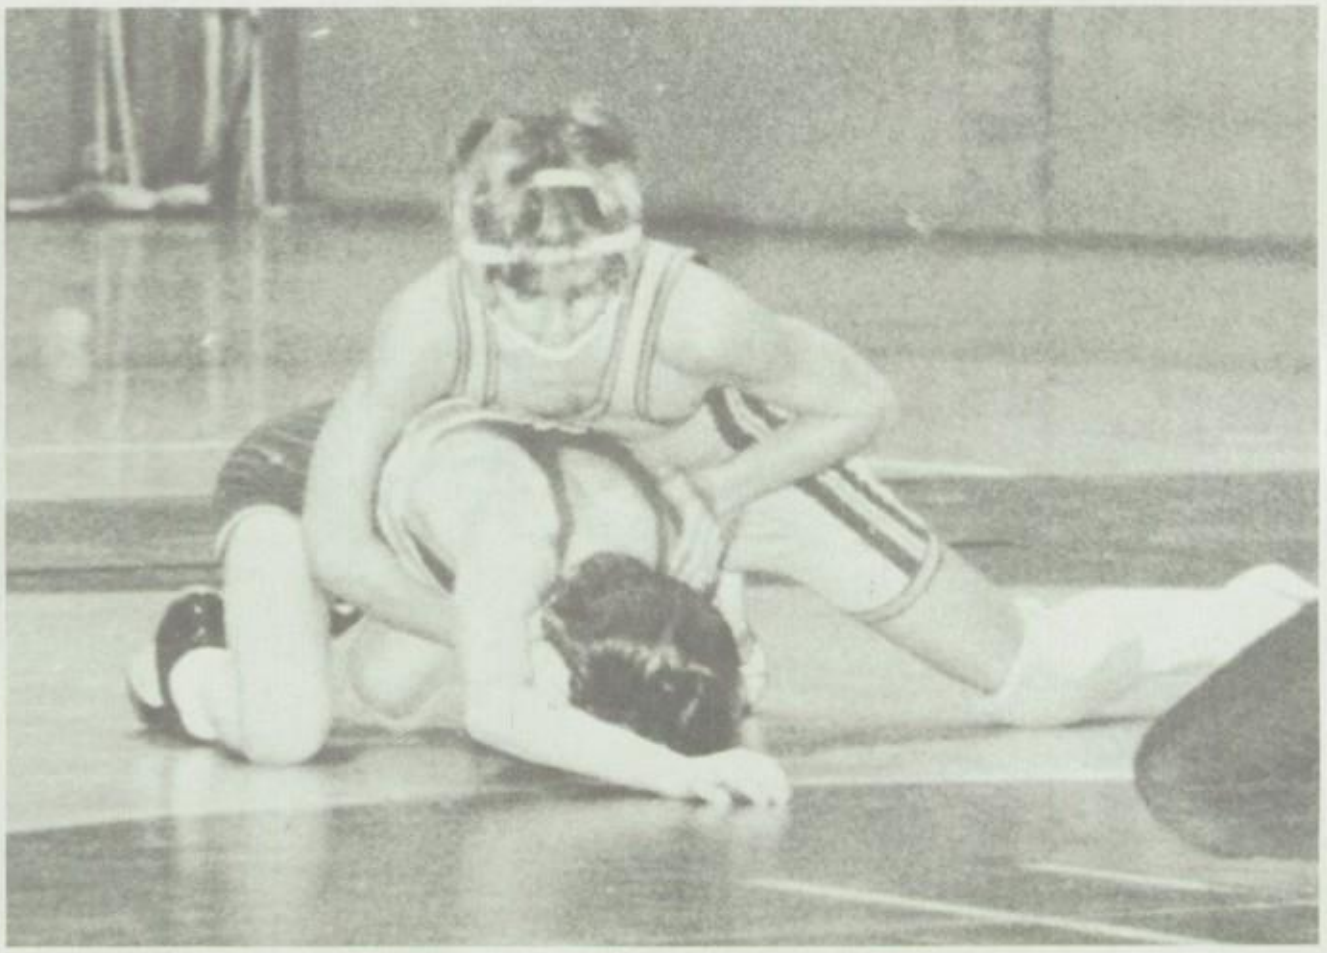












Chaid Leads Wrestlers

The record of the wrestling team was not very good this year due to a lack of depth and

EXPERIENCE.

Fortunately, sophomore Dan Chaid was an exception to this rule. Wrestling in the 175 weight division, he never lost a league match. With this outstanding record he went as a one-man team to represent Gunderson in the CCS Region III Finals where he not only placed first, but he also beat out Pioneer and San Jose high schools (pointwise) who had more than one wrestler, wrestling. Due to final deadlines, we are unable to give the results of the CCS tournament, or the State Finals in which we are sure that he will place.

1979 Wrestling Team: Top row; John Kim, Chiris Bolding, Ed Mannucci, Dan Chaid, Todd Snyder, Coach Jimenez. Middle row; David Teel, Andy Hernandez, Jim Findrick, Tony Hernandez. Bottom row; Steve Wilson, Todd Pilosi, Rick Flores, Steve Yule.

Caroline,
I hope you had alot of fun this year. By the looks of things you did. I hope to see you in the summer and I hope we have some classes next year.

This years Father-son Basketball game was an

exciting

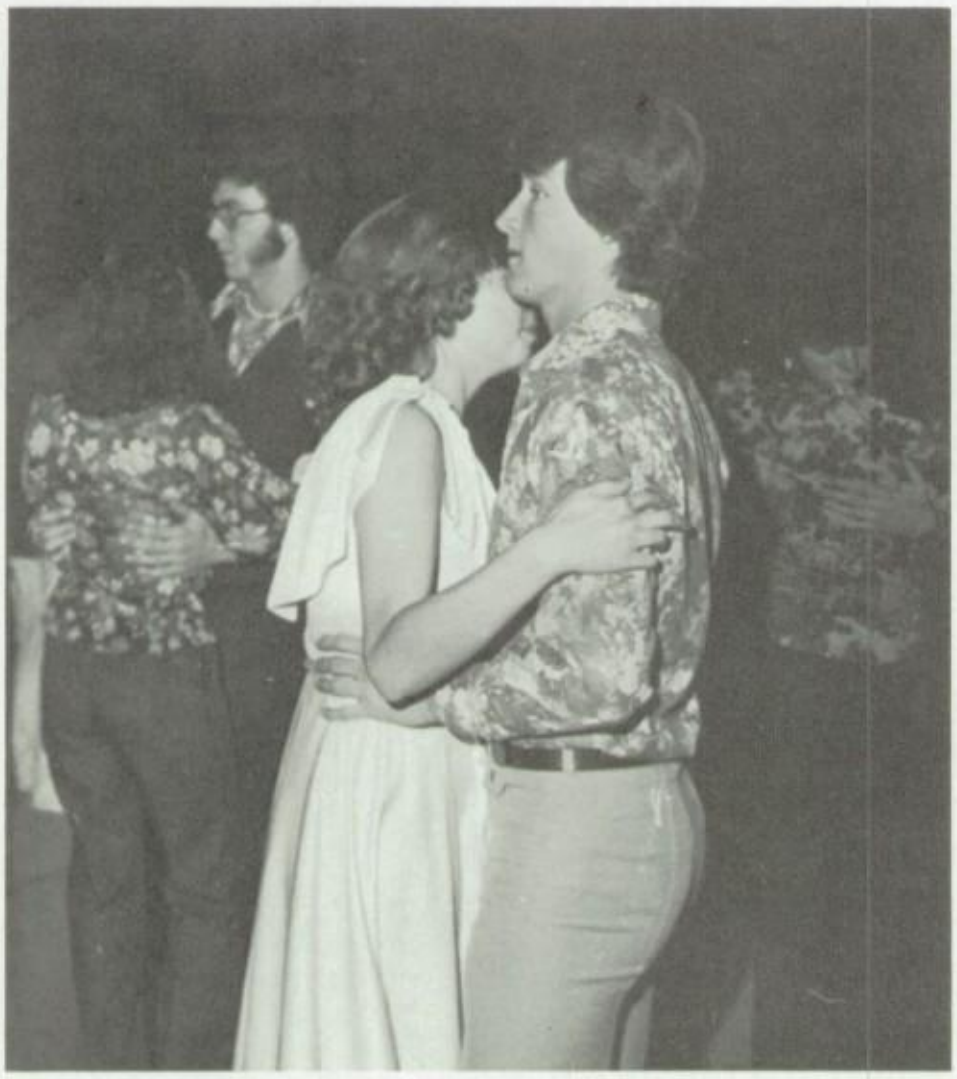
thrill for those who followed along with our team. Both teams gave a good fight. The final score was fathers 20 Sons 18.

The drama department is planning to stage another play for this semester. The drama students put in alot of hard work and practice. Mrs. Gardner is to be congratulated on the splendid effort she gives to her students.

The Black Student Union (B.S.U.) of Gunderson held it's first

FASHION SHOW

on Thursday, February 8, during 4th period. The fashion show consisted of both modern and African designs. Among the Africans designs were the African wrapped robe (opposite page) and the African wrapped dress (above). The B.S.U., whose advisor is Karen Edmonds, is among the most active clubs at Gunderson this year

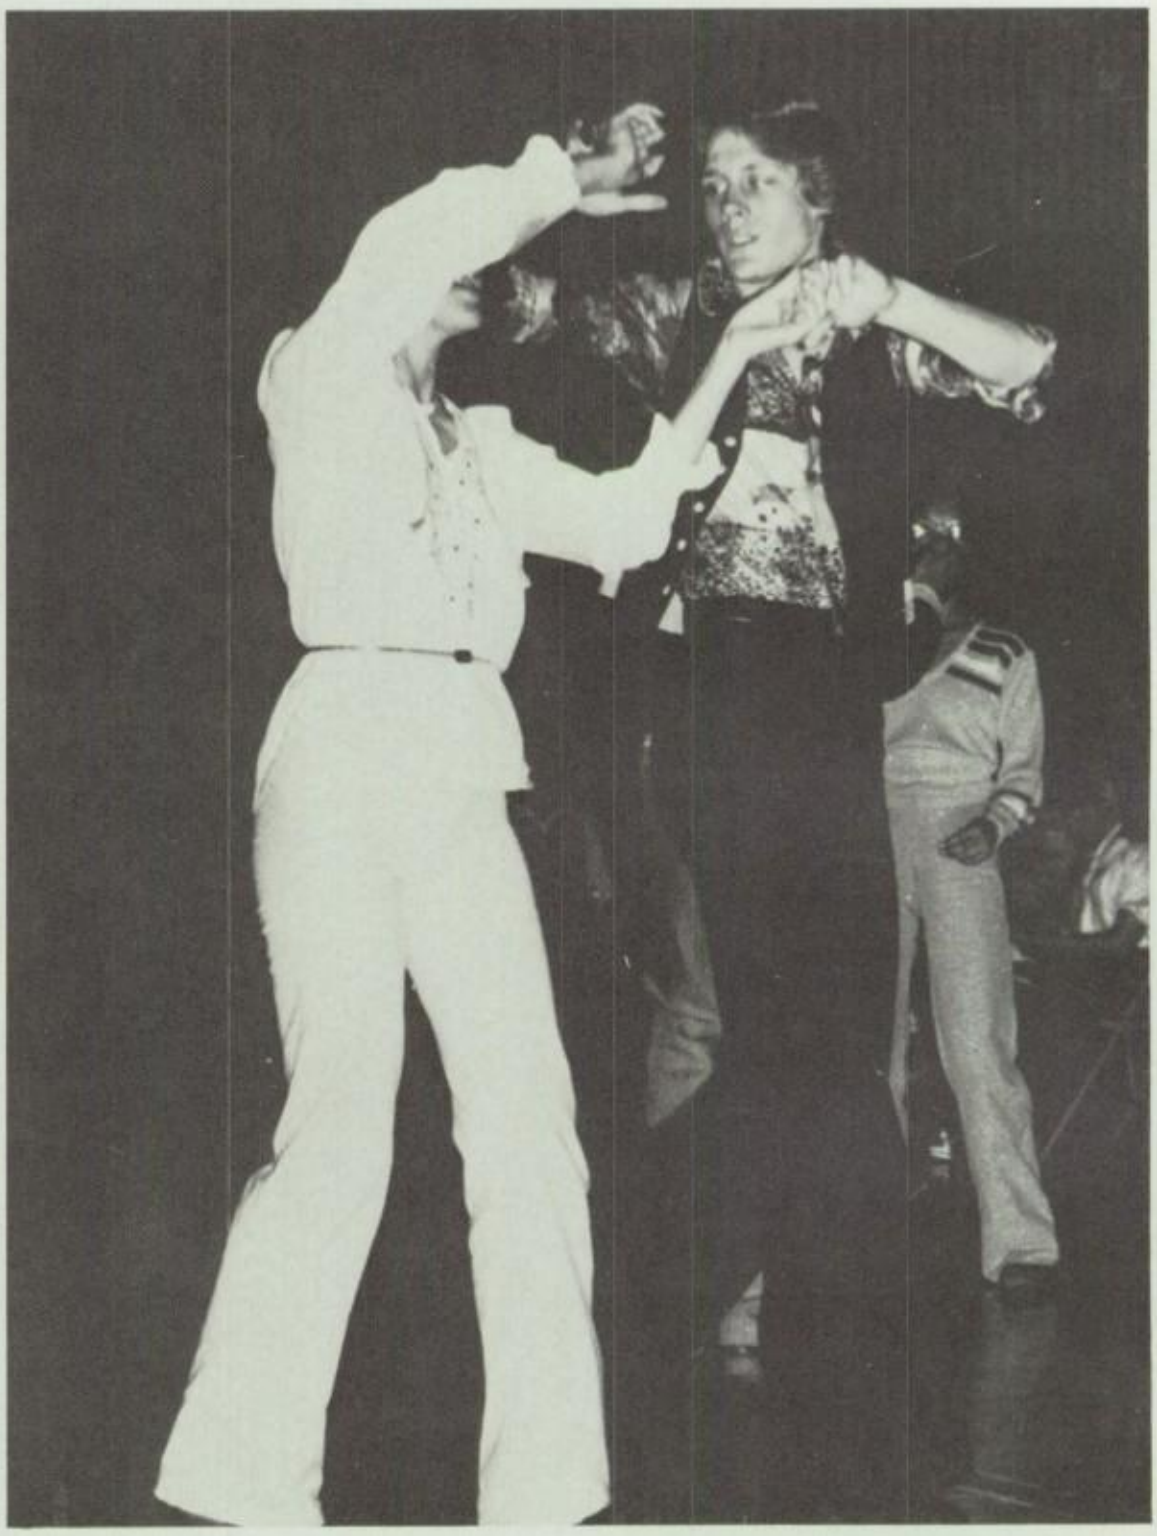


The A.S.U. disco dance was a

sensational

hit. It started off the night with the smash hits from all of the popular songs that have been raging across the country. To make the night complete the disc jockey, Jim Masaclat, was at his usual best throughout the evening.

Members from A.S.U. worked hard to present the fun full evening for all of Gunderson students.

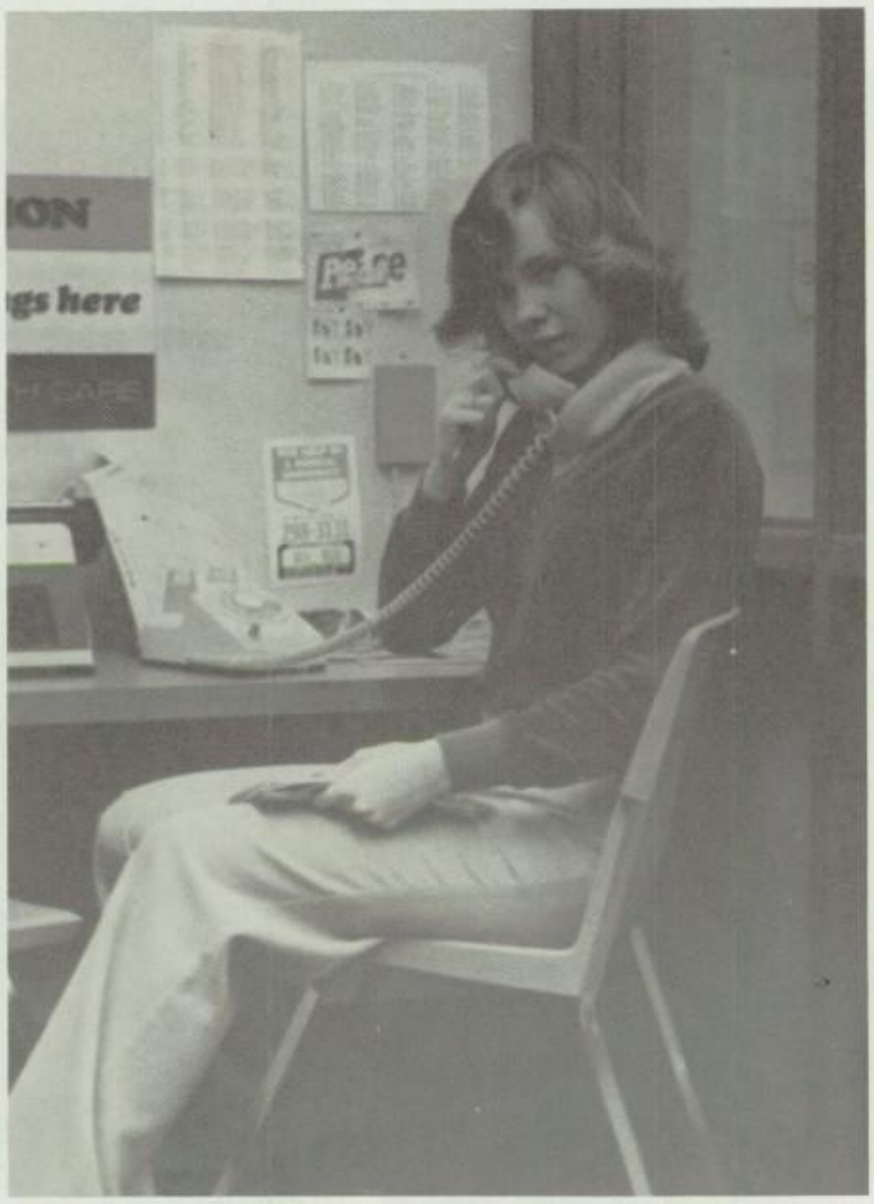


The

PAW PRINT

staff this year has been a real surprise to me. Being the only member of the '77-'78 staff to return this year, at first gave me some doubts. Fortunately each member of the staff this year has proved to be invaluable to me in producing a high school newspaper that is top notch, first rate and undoubtedly the best high school paper in the district! If you don't believe me, just look at the other schools' papers.

Dipti Itchhapora, Christie Patterson, David Shonack, and Patrice O'Connor, the only four on the staff first semester, were ready to dig in right away on articles that were of interest to the students and faculty. Having



only five people on the staff that semester was not a handicap, but rather an asset because we were all part of a close "family." Although there was much more work for each of us to do, we were eager to do it and I feel that it was done remarkably well. Of course we couldn't always please everyone, but we *always* tried.

At the semester our "family" was expanded by four new, welcome, members: Gina Tomasi, Kathi Stansbury, Lisa Takahashi and Debbie Martin. They have been an incredible help to me in relieving the work load and also are promising assets for next year's Paw Print Staff.

and depth. Gunderson should fight it out with Gilroy, Leland, and Willow Glen for the championship. Some of the bright spots will be in the sprints. Tom Ito, Craig Bummer, and Chris Morgan are returning letterman.

The jumping events will be strengthened with the addition of transfer, Keith Brown. The other long jumpers are Jeff Douglas, and Ken Fisher. Returning in the 440 and low hurdles will be defending C.C.S. Champion, David Findley. The weight events will feature returning letterman Ray Mendizable and Tim Bowdoin. Miss Lois Hamor (or

"Grandma" as we have so fondly come to call her,) has been the kind of journalism advisor that every school should have the opportunity to have. She was always ready to help when we needed her, but never let us rely on her so much that we wouldn't learn the independence that is so necessary to be reporters.

To all of these people I would like to say thank you for teaching me so much and for fulfilling my hope that Gunderson be the best

Netters Hit Hard

GUNDERSON HIGH SCHOOL TENNIS Team competed a successful season of

COMPETITION.

Led by sophomore stand-out Noel Brown and a strong compliment of returning players, including Bob Nettleblad, Alex Smith, Gary Goldwater, Jonus Bystrom, and Andy Raymundo, the Gunderson netters surprised a number of their opponents. Depth was provided by juniors Howard Reyes and Eric Leong, along with a fine group of sophomores and freshmen, who will help provide the nucleus of the team in the future seasons. Thanks, from the coach and the members' of the team, to those Gunderson students and faculty who supported us throughout the season.

Swimmers Stroke Up To A Strong Season.

This year's swim team is hoping to have a good season. By practicing both in the mornings and in the afternoons, they are working hard to develop their skills. "We have a very

outlook on the season ahead," states one of the swimmers. But, unfortunatly, due to early deadlines, we are unable to tell you whether or not they did have a bright season.

Success '79

To the Seniors:

You've seen it all! You've been on double session, you've been in two junior high schools, you've been through the rich years at Gunderson, and now through a poor year. Perhaps you will be the ones to engineer a more stable society and thus eliminate the cause for many of society's problems. Our best wishes for your success in the future.

Frustrating.
That's what it's like to be a cop today.

We hired that guy to do a job. A job too rotten for us to do.
Then we isolate him. Fight him.
Ignore him.

That's what it's like to be a cop.
And it's getting worse.

Good men are leaving our police forces.
And other good men aren't joining.

Photos for this years yearbook were supplied by Ron Root's Photo-Journalism Class. We would like to thank Yearbook and Newspaper for their patience during this busy year. Each photographer has gained in ability and survived the crowded darkroom conditions.

El Oso Goes WESTERN!

This year's yearbook staff

EL OSO,

worked very hard to try to put together the best yearbook ever, even though a few photographers did not give them their pictures until the day they were due at the plant, or later.* After finally getting their pictures, the staff would spend long hours after school and at home trying to get the work done. All in all, the yearbook staff did a very fine job.

*If you yearbook comes after school is out, please remember the yearbook staff did everything in their power to get it to you on time. We hope that future yearbook staffs have it a little easier.

After being on the yearbook staff for the past three years, and editing it for the past two, I am happy to give up my title to someone else. Along with the joys of never having the pictures you asked for until the day after the deadline, and the ecstasy of seeing the book come out in the spring.

Seriously, I would like to acknowledge some of the people who, over the years, have put up with me and the rest of the *EL OSO* staff. First and foremost there is Mr. Addison Jones, who helped me learn everything there is to know about yearbooks, and who was always there to support me along the way. Next comes Mr. Paul Bacosa, who always put a "rush" on our photography orders, to Mr. Ron Root- I would like to say: Thanks for trying your very hardest to get pictures to us on time. Next I would like to thank the entire yearbook staff for putting up with me, and last but not least, I would like to thank my parents for just understanding that I really did have to go to yearbook when I was grounded.

In closing, I would like to thank the entire school for just being there. Because, without you there would be no book.

Well Howdie Dudie George,

Saved

First of all I want to thankyou verry much for putting up with me. I guess I really put our friendship to the test this year. But guess what when the year was over and the scores came in our friendship got an A+. Looks like us super sophmores have made it up to superterrific juniors. I knew we would do it. And besides with God on our side we'll make it to superterrific PRAISE THE LORD seniors. This year was really fun, and I know it was like that CUZ you were there. Thank you for your understanding ear (oh by the by can I tweek it yet?) I'm sure I put you a little bit (okay alot) closer to insanity. But let's face it, if you wanted, you could make it the rest of the way alone! Just joshin dont hit me! I want to wish you all the luck in the world for the rest of your life. I'm sure you'll use up most of it on trying to understand me. Wow, look at all I've written and I haven't gotten anywhere. Guess what this is the first time since 7th grade that you dont get to wish me luck with the guys CUZ after all these years of luck-wishing I've got one Praise the Lord! Well I think you are about due for a new boyfriend so "Good luck with the guys" I'm sorry things didn't work out for you and Joel. But whatever happens, happens for the best (usually, oh heck, sometimes anyhow, well once in awhile at lest) Gee wont we look like cool people driving to school in a little red tomatoe? Well, guess I better be going so toodles!

God Bless
